January 10, 2011

Dear Client:

The income tax filing season is approaching once again! This year brings numerous tax law changes, from the "Small Business Jobs Act of 2010," the new Healthcare Legislation, and the "Tax Relief Act of 2010," which extends some tax credits and deductions that were set to expire in 2009.

You should start receiving various tax documents (W-2s, 1099s, 1098 forms, etc.) during the month of January, and be on the lookout for envelopes marked "Important Tax Documents." I am enclosing a Tax Organizer for your convenience, which can help you in gathering and organizing your tax forms.

For those of you who itemize your deductions and/or have business expenses, please go to my website at www.bigbeartaxlady.com to download worksheets for your convenience. If you need additional forms or do not have access to a computer, please contact me at the above number, and I will send you worksheets as quickly as possible.

Just like the prior years, you can drop off your tax papers at my drop-off office at the UPS Store in the Village (across from Chad's). Just hand them to the staff and request they go to "Box # 235." They are open Monday through Saturday, and I will be checking in daily for tax documents. I will also do my best to generate your completed tax return as quickly as possible. Once completed, I will contact you, and I can deliver to your home or place of business for your convenience.

If you have any questions while you're putting your papers together, please don't hesitate to contact me. My goal is to save you time and taxes! Thank you again for your business.

Sincerely,

Myriam Mourani, MBA
